Bitches in Season

PACE is looking forward to participating in AAC's bitches in season (BIS) pilot project which will allow a BIS to compete at the trial. Please be advised failure to abide by the pilot program rules set out by AAC may lead to BIS no longer being allowed to run at any future AAC events. These rules are as follows regarding there being a BIS on site:

- Handlers are required to notify the trial secretary that they are running a BIS as soon as it is known. This is so that required adjustments to the trial format can be made as well as allowing the trial secretary to notify all competitors that a BIS will be on site.
- BIS are required to wear protective panties at all times except when in their designated potty area. Protective panties are not required to be worn while running the course.
- A protective mat must be used at the start line. The handler is required to provide their own mat.
- Handlers/ Owners are required to minimize the exposure of their BIS to other dogs and limit their movements around the trial grounds. This includes using the BIS designated potty area only.
- A handler may pull their BIS from the trial, instead of running them, provided they let the trial secretary know as soon as they know that their bitch is in season.

Please note if these BIS rules are not followed the dog will be excused from the trial and no refund will be given.

Entry Changes/ Move-ups

A dog that has entered this trial and subsequently earns a title or other entry change will be permitted to move-up in a class or change entry providing the Trial Secretary is notified by July 6, 2022.

If you get a title on Saturday, you may move-up to the next level on Sunday by filling out the class move-up form. The class move-up form will be available at the results table on Saturday. Same day moveups from Starters to Advanced will also be accommodated.

Covid Requirements

PACE will be following all current AHS covid restrictions that are in place at the time of the trial as well as any restrictions that are required by the facility. More details about the restrictions, including things like masking requirements, will be sent out via email with the trial information prior to trial.

Refunds

To receive a refund, the Trial Secretary must be notified before the trial date by a competitor whose dog is injured, and a valid veterinarian certificate must be provided prior to any refund being issued. There will be no refunds for dogs pulled on actual days of the trial, except for bitches in heat where the handler has decided to pull their dog instead of run them. Refunds for any other reasons may or may not be given at the Trial Committee's discretion. Coupons issued by P.A.C.E. are not redeemable for cash. **Please note that there will be no refund of entry fees for any dog or handler excused from the trial for any reason.**

Dogs are considered giant breeds of mixed breed dogs resembling giant breeds in terms of weight to height ratio, may jump one or two jump heights lower than their measured regular height when they compete in the Specials category. Dogs who have double dropped in jump height as a Special may enter the Veterans category and receive Veteran time at the age of five. (They will not drop a third height.) For awards by jump height, giant breeds competing as a 16" special shall be ranked with other dogs of the same height and not in a separate category. Proof of age or disability is not required but handler must indicate on the entry form if entering this category to receive the modified times/ reduced points. Dog will be entered in their current competition jump height and category as the modified time & reduced point requirements are a concession for the handler, not the dog.

Starters Standard Class shall be for dogs that have not earned the Agility Dog of Canada (ADC) title. A dog must achieve three (3) qualifying scores (no course or time faults) under two (2) different judges in the Starters class at an AAC Sanctioned Trial, to be awarded the ADC title.
